MEMORANDUM FOR: Colonel White

SUBJECT : General Doolittle Committee

Mr. Wisner's office is now ready for General Doolittle. Mr. Wisner's phones are to be transferred to his K Building office as at the close of business Friday, 23 July, and new numbers are being assigned to the General and his Staff. Security has been alerted that the General will check in on 23 July and the others of his Staff on 26 July. [REDACTED] 25X1A9A advised me that his office will take care of passes, briefings and placing a combination on the safe. Logistics has been alerted and Mr. Garrison has advised me that although cars and chauffeurs are tight, a car will be available for General Doolittle and his Staff from 26 July on. This car will be on the same basis as cars assigned to Deputy Directors.
